LETTER FROM TD

At TD Consulting Group, we mean business. We work with our clients on real-life performance solutions, organizational development and enrichment, and business training services aligned to corporate strategies. TD's success over the last 12 years is due to our equally-dedicated clients—firms of all sizes, covering industries from financial services, to higher education, to pharmaceuticals, to non-profits, to health care.

We are grateful for the fact that our clients return to TD Consulting Group year after year and we remain ever committed to them for their faith in us and what TD can do for their organizations.

In their ongoing drive for student satisfaction, FIT's Annette Picora and Margie Hanrahan, continued in 2006 with our customized *Think Customer Service*®, taught by TD's Stephanie Busby.
